

Coverage for your vehicle with Obvi's Premium Protection Plan!

Covered components include:

ENGINE (GAS OR DIESEL)

- Air filter and housing
- Camshaft / eccentric shaft(s) and bearings
- Connecting rods and bearings
- Crankshaft and main bearings
- Distributor shaft and housing
- Engine block and heads are covered if damaged by the failure of an internally lubricated moving part
- Fuel pump
- Harmonic balancer
- Hydraulic and solid lifters
- Intake and exhaust manifold
- Intake and exhaust valves
- Metal valve covers
- Oil pan
- Oil pump and oil pump housing
- Pistons
- Piston pins
- Piston rings
- Push rods
- Rocker arms
- Rocker arm shafts
- Tensioners/guides
- Timing chain or belt
- Timing gears
- Timing gear cover
- Thermostatically controlled air intake
- Vacuum pump
- Valve guides
- Valve springs
- Water pump

COOLING

- Engine cooling fan motors
- Fan clutch and fan
- Heater core
- Radiator

TRANSFER UNIT (4X4)

- All internal parts
- Transfer case is covered if damaged by the failure of an internally lubricated moving part

FRONT SUSPENSION

- King pins and bushings
- Spindles and spindle support
- Steering knuckles stabilizer shaft, link and bushings
- Strut bar and bushings
- Upper and lower ball joints
- Upper and lower control arms, control arm shafts and bushings

FRONT & REAR SUSPENSION

- Automatic leveling unit compressor, sensor and limiter valve
- Macpherson struts
- Shackle bushings and eye bushings
- Springs, torsion bars and bushings
- Stabilizer linkage and bushings
- Wheel/hub bearings and seals

AIR CONDITIONING

- Accumulator
- Automatic temperature control programmer
- Clutch
- Coil and pulley
- Compressor
- Condenser
- Dryer tank
- Ducts and outlet hoses
- Evaporator
- Expansion valve
- Hi/low pressure cut-off switch
- Internal assembly including pistons, rods, bearings, valves and shafts
- Manual switches
- Orifice tube
- POA valve

ELECTRICAL

- Alternator
- Convertible top motor and switches
- Factory installed sun/moon roof motor and its wiring harness and switches
- Front wiper motor including circuit board, relay and delay switch
- Fuel gauge sending unit
- Heated back glass elements (glass is not covered)
- Heater blower motor
- Horn
- Horn button / switch
- Manually operated switches for power windows, power seat(s), turn signal switch, headlamps, wiper motors (front and rear), emergency warning flashers
- Power antenna motor, mast and switches
- Power door lock actuators
- Power seat motors
- Power window motors, regulators and drives
- Starter motor, drive and solenoid
- Trunk/hatch actuator
- Voltage regulator

INTERIOR / EXTERIOR

- Adjustable pedals
- Bumper energy absorbers
- Door hinges
- Glovebox door and hinge
- Hood, trunk and hatch gas cylinders
- Hood, trunk and hatch hinges
- Interior and exterior door handles
- Manually operated seat tracks
- Map/courtesy light assembly
- Speedometer head

ELECTRONICS

- Anti-detonation / knock sensor
- Compass
- Cruise control servo, module and transducer
- Digital driver information display and module
- DPFE valve
- EGR valve
- Electronic digital instrument cluster
- Electronic ignition module
- Electronic module retard vacuum switch
- ESC/EEC/ECM module
- Heated side view mirror element
- Igniter
- Instrument panel printed circuit board
- MAF/MAP sensor
- Oxygen sensor
- Remote keyless entry transmitter and receiver
- Speed sensor
- Thermometer

TRANSMISSION (AUTOMATIC OR STANDARD)

- All internal parts
- Covers, pans and cases are covered if damaged by the failure of an internally lubricated moving part
- Mounts
- Torque converter
- Vacuum modulator
- Note: No coverage is afforded for clutch assembly, pressure plate, flywheel, throwout bearing, worn synchronizers or cables

DRIVE AXLE(S)

- All internal parts
- CV/tripod joints
- Differential case is covered if damaged by the failure of an internally lubricated moving part
- Propeller shafts
- "U" joints

LUXURY ELECTRONICS

- Entertainment System: Factory installed LCD screen (12.5" or less), RF modulator, digital video disc player, power converter. The following parts are specifically excluded: remote control, headphones.
- GPS Navigation System: Factory installed navigation display unit, navigation control module, navigation system wiring harness. The following parts are specifically excluded: antennae.
- Internet Access Systems: Factory installed power converter, satellite receiver, satellite dish or wireless receiver (where available).
- Phone System: Factory installed charger / cradle, microphone, speakers. The following parts are specifically excluded: antennae; cellular phones.

FUEL DELIVERY

- Diesel injection pump
- Fuel distributor
- Fuel injectors
- Fuel injector metering pump
- Fuel distributor
- Fuel tank
- Metal fuel lines.

TURBO / SUPERCHARGER

- All internal parts; housing is covered if damaged by the failure of an internally lubricated moving part.

BRAKES

- Backing plates
- Calipers
- Combination valve
- Master cylinder
- Parking brake linkage and cables
- Power assist booster and valve
- Rear activators
- Self adjusters
- Springs, clips and retainers
- Steel lines and fittings
- Vacuum assist booster pump
- Wheel cylinders

ANTI-LOCK BRAKES (ABS)

- Accumulator
- Anti-lock computer module
- Electro-hydraulic proportioning control valve
- Electronic control unit
- High-pressure hydraulic pump
- Proportioning valves
- Wheel speed sensors/exciters

SPORT UTILITY

- Cargo lamp
- Edge protectors
- Factory installed running boards
- Pop-out or sliding side/rear window latches and hinges
- Spare tire carrier, swing arm, pivots, latches and locks
- Step bumpers and mounting brackets
- Swing-out mirror arms and mounts
- Tailgate handle, lock, cables, hinges and latches
- Note: Rust / oxidization damage, impact damage and Failures caused by rust / oxidization are expressly excluded

STEERING (MANUAL OR POWER)

- All internal parts in rack and pinion
- All internal parts in re-circulating ball housing
- Control valve
- Couplings
- Drag link / center link
- Gear housing
- Idler arm
- Pitman arm
- Power cylinder assembly
- Power steering cooler
- Power steering pump
- Steering main and intermediate shafts
- Tie rod ends

STEERING (4 WHEEL)

- Actuator
- Center joint
- Control unit
- Cylinder barrel
- Mode selector
- Pinion
- Position sensor
- Power steering housing is covered if damaged by the Failure of an internal part
- Rear gear assembly
- Rear tie rod assembly

SEALS AND GASKETS

- Seals and gaskets, if needed, are covered for the following assemblies:
- Air Conditioning
- Anti-lock brakes
- Brakes
- Engine
- Front suspension
- Rear suspension
- Transmission;
- Transfer unit and drive axle(s)
- Turbo / supercharger
- Steering

Why Should You Buy An Obvi Extended Warranty?

Here's how Obvi goes above and beyond for our customers:

- The freedom to take your vehicle to any licensed repair facility with a hassle-free claims process
- Lower prices than buying from a dealership
- The ability to cancel at any time during the policy period
- Security of an insurance policy, rather than a service contract
- Obvi is with you from purchase to claim, so you're always taken care of

Why Obvi?

Simple

A term that makes sense for you and insurance that's easy to understand, all in a quick and easy buying process.

Trusted

With the stability of an A-rated insurance carrier, you can rest assured that we will be there when you need us.

Value

Cutting out the middleman allows us to price our policies fairly, providing you with significant savings.
